FOREWORD

To most of us our school days are full of memories. All down the path of life, in days gone by and in days to come, the joys from them will be with us. We have compiled this book to help keep those memories fresh.

We have tried to capture on paper and on film some of the brighter spots in life at J. L. S.

When you leaf through this book, turn back the tide of memory and recall those happy days we spent in school getting ready to take our place in the world.

DEDICATION

To Mr. Elmer E. Shaw we pay tribute for his twenty-five years of unfailing service as a teacher in Jackson-Liberty School.

During these twenty-five years that he has been in our school, he has had our well-being foremost in his mind. His smile and wide understanding of pupils and their problems have made him a favorite among teachers. He has willingly been a teacher and friend to many, many students who have come to him.

So to Mr. Shaw, respected, beloved, and honored throughout the whole community, we proudly dedicate our annual.

OUR SCHOOL

Twenty-five years ago our school was built. Its builders fashioned it with bricks, mortar, and stone to make it strong and durable. It has stood the test.

During those twenty-five years many people have entered it, have given their contributions, and have gone off into the world. There were teachers who came to pass their knowledge on to these students. Organizations sprang up. Some organizations died, and others strengthened and flourished.

I wonder just what story these walls could tell. Triumph—sorrow—joy—defeat—all are needed to make up a strong character. Jackson has had its share of each.

There were years when times were hard and victories were few but the school still shone through. It weathered these slumps as it had weathered the stormy winds.

Yes it was built strong with mortar, brick and stone. But the joys and sorrows of its students have mingled with these to give the building an aspect of life. It forms a picture that will be carried forever in the hearts of its students.

BOARD OF EDUCATION

President.....Harold Ecker
Vice-President.....Forrest Jones
Clerk.....Alice Kettler

LEFT TO RIGHT: Earl Swaisgood, Forrest Jones, Alice Kettler, Harold Ecker, Homer Grove, and Ray Kassing.

Members of Boards of Education have the responsibility of providing adequate school opportunity for the youth of their community. The people in their respective communities look to them for leadership and service in the development and maintenance of the type of educational program which will best serve the community and its children.

The responsibility placed upon a Board member is not light. Inasmuch as Education is a function of the state government, the local school board member is responsible to the state. Having been elected to

his post by electors of the district, he is responsible to the people. Before assuming his duties, he affirms that he "will support the Constitution of the United States and the Constitution of the State of Ohio"; that he "will faithfully and impartially discharge his duties to the best of his ability and in accordance with the laws in effect". The compensation received is very small when reckoned in monetary values.

We are indeed fortunate to have men comprising our Board of Education who are sincerely interested in the welfare of our children.

CLASS HISTORY

As I look over the years which have passed, I finally stop at the year of 1942-1943. This was the year when a group of pupils were eager to start their high school career. After a hearty initiation we elected class officers. This year found us participating in plays, contests, basketball, and other activities. Our Freshman team won second place in the Brown Derby.

In the fall of 1943-1944, we moved upstairs as a happy group and were known as the Snappy Sophomores. We elected class officers and participated in dramatics and other activities. Doyle Baker was sixth man on the basketball squad. We had a prosperous and progressive year under the guidance of Mrs. Swank, our home room teacher.

The following year, 1945-1946, we were Jolly Juniors under the direction of Mrs. Cannavan. We elected the following class officers: President: Theresa Brickner, Vice-President: John Cannavan, Secretary: Phyllis Lanning, Treasurer: Ruth Ann Fish, Student Council Representative: Marjorie Hollenbaugh, and Sergeant at Arms: Doyle Baker. Doyle and John were members of the first five on the basketball squad. During this year,

we ordered and received our class rings, sponsored a Halloween party, and gave a banquet for the Seniors. Our Junior Class play entitled "Don't Take My Penny" was an important event of our Junior year. Pupils of our class participated in Prince of Peace, Music, and other contests. Phyllis Lanning was a cheerleader.

In the year of 1946-1947, we were known as the "Dignified Seniors". We elected the following class officers: President: Olive Smith, Vice-President: Carolyn Bricker, Secretary: Kenneth Brickner, Treasurer: Wanda Snyder, Student Council Representative: Dorothy Hatfield, Sergeant at Arms: Raymond Steward. The principal events of this year were having our senior pictures taken, ordering our name cards and invitations, and the publishing of our annual.

The Senior Class play entitled "Sing for Your Supper", was one of the closing paragraphs in our book of school memories. Mr. Kettler was our patient class advisor.

I feel safe in saying that most of us have had a successful and enjoyable high school career.

CLASS PROPHECY

One morning in the spring of '57 as I was finishing my new novel, "The Return of Susie Slagles", I heard the telephone ring. Upon answering it, whose voice should I hear but that of Mrs. Larry Hammer (the former Kate Haughn). She asked me if I could come and have dinner with her and Larry. I accepted, and immediately after I hung up, I started getting ready.

Since I lived in Hollywood and Kate lived on a farm near Kansas, I got into my helicopter and started promptly. Upon arriving, Kate ran out and while we were exchanging greetings Larry parked my helicopter along side of theirs in their private airfield.

I was then introduced to their two children, Jannie Lynn and Larry Allen.

After dinner was over and we had visited awhile, I decided to start homeward. I stopped at Kansas to see how Doyle was getting along. After I rang the bell, there at the door stood Phyllis Lanning. I asked her if I was at the wrong house. She answered "Oh, No! Doyle and I were married in the spring of '50." While we chatted, I heard a queer noise. Inquiring as to what it was, I found out that it was their six month old baby, Stephen Eric.

Leaving the town of Kansas, I landed at Fostoria to get a cup of coffee. I hadn't walked very far when I noticed a sign which read "Carol's Cafe". After I was waited on, I saw a tall figure coming toward me and who do you think it was? That's right—our own Carolyn Bricker. She told me that she was married now and she and her husband owned the restaurant.

After I had my coffee, I started to do some shopping. I didn't know where to start first since Fostoria was three times as large as it was in '47. It had night clubs, five or six more theaters, a radio station, and everything that goes with a big city. I went into the first dress shop that I came to, and who should wait on me but Gerry Ritter. She was now Mrs. Joseph and had three children. When I purchased a dress, I looked on the tag and it said, "Dorthea's." Inquiring as to who designed the dresses for that shop, I learned that it was our own Dorothy Hatfield. After I found out where she lived, I went to visit her. She lived in a big house and she had models standing all around. She told me that she was now working on a dinner gown for Hedy Lamarr, who was visiting in town. The way she was hurrying around brought back the days when she was in school (hustling to get the News-hound or Annual out).

It was getting late, so I decided to stay at Fostoria all night. Before I started to look for a hotel, I thought I would make an appointment to get my hair set at that Beauty Salon that was advertised in the papers so much. Now let's see, I believe it was called "Hazel's Beauty Salon". I didn't have to go very far until I came to it. When I stepped inside, I was greeted by none other than Hazel Stark. We started a conversation. I learned that Lola Saalman Frey was her assistant in the shop. I also was informed that Betty Wildman was working as a manicurist in her shop for the time being. But she was leaving before long, because she had been offered a job singing with Vaughn Monroe and his orchestra.

After making an appointment to get my hair fixed,

I started looking for a hotel. Searching an hour for one with a vacant room, I finally found one. It was called "Clauss Hotel". Imagine my surprise and delight when I discovered that Lois Boyd was receptionist at the desk. She told me that George (her husband) owned the hotel.

When I got settled in my room, the paper was delivered to me. There I read in the headlines "BIG FIGHT TONIGHT—HEAVY WEIGHT CHAMPIONSHIP." I got ready immediately and started on my way to the fight. When the referee called out the names of the fighters, whose name should I hear but that of Verlin Butzier. After the fight was over, I made it a point to see Verlin and congratulate him on his victory. You see, he was now the Heavy Weight Champion of the World. He licked Joe Louis! He had lost a little weight since he had been in school, but why shouldn't he? During our chat I learned that Kenneth Brickner was married and was farming. He also told me that "Breezy" was an admiral in the Navy.

Journeying back to the hotel, whom should I run into but Zella Purtee. She told me she was married and was a secretary in the Ford Industries.

The next day I decided to visit the hospitals and schools to see if they had changed any since I had last seen them. Since everything else had changed, I thought probably these had too.

I got permission to look over the hospital and as I walked along, I saw Esther Baker. As we talked, she told me that she was married. She was a nurse and her husband, Dick, was a doctor there at the hospital. She had always wanted to be a nurse and I was happy for her that she had reached her goal.

As I walked along, I saw a school. I could tell it was a new one. Engraved on it was "School for Boys." As I walked in I saw Olive Smith. She told me that she and Creighton had built it. Olive always had a way with boys so I knew this school would be a success. Inquiring as to the whereabouts of Marjorie Hollenbaugh, I learned that she was a big scientist in Washington. She was now working on the little radar stove that would get meals in no time. You know they had talked about it in '47 but they never had accomplished it. Now since Marge was helping with it, it was sure to be a success.

So ended my adventure in Fostoria. I started back to Hollywood, California. Thinking back over my graduating class, I wondered what had happened to Johnny Cannavan and Theresa Brickner. I had an account of all the members of the class of '47 but these two.

It didn't take me long to find out though, for when I arrived home my husband asked me if I didn't want to go with him to the Stork Club. They were to have a new sensation there. When we got there, in bright lights was "THE GREAT JOHN CANNANAN and HIS ORCHESTRA with THERESA BRICKNER as singer".

Returning home that night, I pondered on the class of '47. I think they all made a pretty good name for themselves. What do you think?

SEATED: Kathleen Wonderly, Garland Peeler, Bernice Brickner, Kathryn Bachman, Eva Jean Russell, Mary Elaine Few, Margaret Haughn, Ann Kassing.

CLASS HISTORY

Usually the Juniors are a pretty busy "bunch of kids", and we are no exception. We could always be seen rushing around, hurrying to get a task completed. No—there was never a dull moment for us.

To start the year out with a bang we presented our class play before a capacity filled auditorium. This built up our treasury considerably. We helped sell concessions at the basketball games and ice cream at the noon hour.

The Juniors could also be seen around the neighborhood, attempting to sell Christmas Cards. We ran up against stiff competition—the Seniors.

We are very proud of our class rings

which we received in November.

The Juniors made a good name for themselves on the basketball squad. We had two cheerleaders this year, also.

In addition to basketball we were well represented in the different organizations of the school, such as Y-Teens, Hi-Y, FHA, and FFA.

As usual we had representatives in the music contest, Operetta, One-Act Play, the Prince of Peace Contest and Debate.

The Junior-Senior prom, which was held on May 3, was sponsored by the Junior Class. We made great progress this year under Mrs. Cannavan's supervision. We are all looking forward to becoming those "Dignified Seniors".

CLASS HISTORY

The fall of '46 found a snappy group of boys and girls entering their sophomore year of school.

We were all set when coach called for basketball practice with Jim Stull, Loren Stumpp, Dave Hill, Mead Smith, Nathan Colwell, Jim Ponn, and Charles Hatfield turning out. Also two of our girls, Wanda Omawake and Kathleen Coleman, were elected cheerleaders.

We were well represented in other activities of the school, such as, Y-Teens, FFA, FHA, Hi-Y, One-Act Play, Operetta, music

contest, Prince of Peace, Debate, Student Council, Track, and Baseball.

While carrying on our daily studies, we looked forward to the Derby that follows our basketball season. It was no effort to make up teams for this event.

In closing this short history of the year for the Snappy Sophomores, we would like to say, "Hail, to the Twenty-fifth Anniversary of our school and congratulations to Mr. Elmer E. Shaw who has served us so faithfully during each of these twenty-five years."

CLASS HISTORY

September 3, 1946, found us back in good old Jackson-Liberty ready to start our high school career.

September 6, we had a quiet initiation, and I do mean quiet for a change. This was all right with us, but the rest didn't think so much of it!

We had a fair share in the activities of the year. Four of our boys, Wayne Lejeune, Neil Hatfield, Duane Byers and Ray Thaxton participated in basketball. Betty Bricker and Zelma Kissling were in the Prince of

Peace and Dramatic Reading Contests. Marilyn Mullholland, Betty Bricker, Zelma Kissling and Bill Pankhurst were in the Music Contest.

We were also represented in the Y-Teens, FHA, FFA, and Hi-Y.

We wish to express our appreciation to Mrs. Noderer, our Advisor, for her co-operation with us this past year.

We are looking forward to being recognized as the "Snappy", not "Sappy" Sophomores next year.

This year the Class of "47" has had, as other classes in the past have had, plenty of work to keep it busy.

Much of our time and attention was centered around the production of the Blue and Gold.

There were ads to be sold, and articles to be written. The approval of the color and design of our book was to be determined.

There were contacts with the printing company to be made. Greatest of all, there was a dead line to be met. All these situations worked out successfully for the well chosen staff worked very hard to complete the plans for our year book. The staff, with the assistance of Mr. Shaw and Mr. Kettler, has given us an annual of which we are very proud.

Rush, rush—Newshound goes to press—what a day! Enough work to keep everybody's head spinning.

A notice appears on the bulletin board on Monday that the reports are due on Wednesday. So, by Friday afternoon most of the reports are in!

Dorothy checks the news for content and grammar and then Mrs. Flack double checks it. The dummy has to be typed and checked. Then the grueling task begins.

Richard gets his headlines ready while the typists peck away at the stencils. More

rushing as they correct mistakes—Where is my dummy?—Your dummy?—the art work is done and the page is numbered. After the proofreading it is ready to run. Gerry gives the wheel a swift turn and the Newshound is rolling.

On the date scheduled to go out, there are two reports out and a stencil has to be cut in a hurry. But the competent Newshound staff will get the paper out on time every time—even if they have to hold the bell up to do it!

STUDENT COUNCIL

SECOND ROW: Jimmy Dieter, Mr. Kettler, Dorothy Hatfield, Billy Byers.
FIRST ROW: Loren Stumpp, Jim Stull, Kyle Bigham, Mary Elaine Few, Johnny Cannavan, Richard Sour, Wanda Omwake, and Robert Hammer.

The meeting of the Jackson-Liberty High Tribunal comes to order. "Will the secretary please read the minutes of the last meeting?" John Cannavan punctuates this with a light tap of the gavel and Mary Few reads the minutes and the meeting goes on. It was at just such meetings that the Student Council has enacted Jackson laws. The Student Council has been quite busy this year. There were some pretty lively discussions on several topics of interest.

The Freshman initiation was changed this year—no rough stuff. Everything was

pretty quiet on that night.

We had a school Christmas tree. It was in the auditorium this year for the Christmas program which the Student Council sponsored.

To top off the year the Student Council sponsored a magazine sales campaign to build up the treasury. It gave us quite a boost. The Student Council of next year will have something to fall back on.

As is customary, the Athletic Banquet was sponsored by the Student Council.

HONOR SOCIETY

THIRD ROW: Bernice Brickner, Kathryn Bachman, Carolyn Bricker, Dorothy Hatfield, Kathleen Haughn, Wanda Snyder, Iola Saalman, Geraldine Ritter, Zella Purtee.

 SEATED: Garland Peeler, Kathleen Wonderly, John Cannavan, Mary Elaine Few, Theresa Brickner, Richard Sour, Olive Smith, Phyllis Lanning.

The Jackson-Liberty Honor Society Chapter has made great progress this year. First, it gained a larger number of members. The membership increased to twenty-four pupils. This in itself is an honor for our school, as a pupil must have one A, no grade below C or a B average, to be eligible to join. Second, it has made itself into an active club. Before, this chapter had been active only in County meetings, now it is active as a school club. Third, it has cleared the debt that has been overshadowing it for several years.

This club has made an honorable and

remarkable impression on the school this year. It is our fervent hope that it will continue the upward path.

As a token of remembrance to the students who follow in our footsteps next year we have given them the honor of entertaining the County Honor Society for the first semester meeting next fall. We certainly wish you luck in this venture.

Our officers for this year were:

Biff **Raymond Steward**
Biff is a good pal of Ranny's and is Joanie's boyfriend. He and Ranny cook up a scheme to frame Stephen.

Joanie **Phyllis Lanning**
Joanie is Laurette's best girl friend and they raptly admire the mystery crooner.

The Senior Class Play was a big hit! Even the Seniors were worried at first about not getting their parts on time. It was a play about bobby-soxers—the seniors seemed to be able to portray the parts very well.

The entertainment was enjoyed by young and old. Mr. Bricker did a good job of directing. We will put play practice down in our memory book as one of the happy occasions of our school life.

JUNIOR CLASS PLAY

STANDING: Mary Elaine Few, Eva Jean Russell, Dale Yoder, Margaret Haughn, Kathryn Bachman, Ann Kassing, LaVernon Brubaker, Richard Miller, Roy Few, Dick Sigler, Robert Lanning.

SEATED: Kyle Bigham, Jack Baldwin, Kathleen Wonderly, Garland Peeler, Bernice Brickner, Charles Russell, Dick Sour.

This rollicking comedy which was presented by the Junior class was one of the outstanding performances of the year. (In spite of the fact that Mrs. Cannavan wondered if we would ever learn our lines!)

The audience was handed a laugh a minute by the good characterizations of the principals and the members of the supporting cast.

ONE ACT PLAY

Kyle Bigham, Phyllis Lanning, John Cannavan, Olive Smith.

The contest one-act play this year was a drama entitled, "Highness". It was written by Ruth Giorloff. The cast, under the direction of Mrs. Cannavan, went to work about two months before the first contest. We went over and over each section, worked on timing, figured out stage business, and ways of saying our lines. Yes, many hectic hours in practice and sleepless nights were spent by the cast and the director.

Finally, the day of the first contest arrived. Our cast met casts of Hopewell-Loudon and New Riegel High Schools at Hopewell-Loudon, and won.

Now as this goes to press, we are still looking forward to the final contest. If we win, we will enter the state contest.

The plot of the play is rather timely and intriguing. It takes place in the Kremlin in Moscow during the

period following the Revolution. Anna Brorodin, a scrub woman, gives her life that her half sister and a young secretary may leave Russia and make a fresh start in a new country. She tricks a young flirtatious, Red soldier into locking the office door. Then she throws the key out the window. The young soldier becomes so enraged that he shoots her. Thus ends the play.

Olive Smith characterized Anna, the scrub woman; Kyle Bigham, the Head's secretary; Phyllis Lanning, the former Princess and half sister to Anna; and John Cannavan, the flirtatious Red soldier. Esther Baker was assistant director and Dorothy Hatfield was stage manager. Understudies were Vondale Swaisgood and Wanda Omwake.

DIRECTORS

Mr. Bricker

Mr. Bricker directed the Senior Class Play this year as he has done in the past years. He is one of those tireless, patient individuals who agonizes over each practice even though the members of the cast don't seem to worry. We want to thank Mr. Bricker for coaching our play. We surely appreciated his assistance and interest.

Mrs. Cannavan

Mrs. Cannavan is an avid persuer of perfection. If you don't believe it, ask the one-act play cast. Mrs. Cannavan also directed the Junior Class Play. She very ably coached those individuals who entered the humorous, poetry and dramatic-reading contests this spring.

Mrs. Noderer

Mrs. Noderer seems to be able to bring forth from her cast what she wanted. She was busy directing the Kansas Grade Operetta, Amsden Grade Operetta, and the High School Operetta. She also coached contestants for the county chorus and music contests.

She seemed to be proud of her music pupils because she took some of them to her home for the people there to hear.

PRINCE OF PEACE

The contestants in Prince of Peace did well this year. The two contests were at Rehobeth and at Amsden. John and Kyle won the local honors and went to the county. John went to district and received second place.

DEBATE

In the debate tournament this year, the Jackson-Liberty team tied with Republic for second place.

Mr. Cannavan, Kyle Bigham, Vondale Swaisgood, Don Ecker, Catherine Kellar, Dorothy Hatfield.

DRAMATIC READING

There were nine students participating in the Dramatic Reading Contest this year. John, Vondale and Kyle won medals with superior ratings.

SECOND ROW: Don Ecker, Mrs. Cannavan, John Cannavan, Kyle Bigham.

FIRST ROW: Wanda Omwake, Zelma Kissling, Betty Bricker, Kathleen Coleman, Vondale Swaisgood, Katherine Fernbaugh.

	Ruth Ann Striff
The Wicked Stepmother....	Marilyn Bigham

HI SCHOOL OPERETTA

Wednesday evening, March 26, the music students presented for public enjoyment the operetta "Waltz Time". This music, as the title implies, was entirely in waltz time. The story centered around Kirby, a young composer who refused to give up his love for the three-four waltz time music in order to satisfy his "swing-mad" pals. His most ardent admirer was Sue, whose love for him was misinterpreted as loyalty. Instead, his admiration was directed toward Gretchen, a neighbor girl whose affection was invariably centered on the "man-of-the-hour" whose social rank was highest at the time.

Patricia who was always "floating" under the influence of Kirby's music, finally surprised everyone by marrying Kirby's older brother Jeff.

Gilmore, a "man-about-town," finally takes Gretchen after he discovers Sue will have only Kirby.

The principal roles were as follows:

Kirby	John Cannavan
Sue	Olive Smith
Gretchen	Esther Baker
Patricia	Dorothy Hatfield
Gilmore	Kyle Bigham
Jeff	Wayne Baker

Mr. Raymond E. Trinter, formerly Major R. E. Trinter in the United States Army, was our coach for the year. He was received with a heart warming welcome by the student body at Jackson-Liberty.

After a not too sensational baseball season our bull-pup quintet was led to many victories by our aggressive coach.

Mr. Trinter hails from Vermilion, Ohio. He is an Ohio State Graduate and also a very capable science teacher.

Tournament time found two of our regulars out with mumps. It was a bad break for the coach. All year he coached the team capably. We wish him luck next year.

Our managers this year consisted of Bob Hill, Don Fell and Duane Byers. The boys found that the managers were very dependable and did a fine job of keeping the equipment in good running order and also the boys themselves.

CHEERLEADERS

Garland Peeler, Kathleen Wonderly, Kathleen Coleman, Wanda Omwake.

First came a basketball team, and then someone to support them. That meant cheerleaders. There were quite a few who tried out for this job but Kathleen Wonderly, Kathleen Coleman, Garland Peeler, and

Wanda Omwake won by a majority vote. A job it was indeed not to lose their spirit when the boys were behind a few points but out they would come with a cheer full of pep to let the boys know we were with them.

SCHOOL SONG

Oh! come ye faithful students raise
The name of Jackson High in praise
As we laud her to the skies,
We'll seek the faith that never dies.

Though we win or lose a game,
Our hearts will always sing her name.
As the coming years go by,
We'll all be true to Jackson High.

Written by Justin Harrison
Class of 1923.

"Doc" is a great competitor. He plays his best every minute he's in the game. He is worthy of his position as captain.

SPEED, MORE SPEED, AND SPEED TO SPARE, describes our leading scorer. Keep your eye on John. His basketball career is not ended.

CALM, CAPABLE, and CLEVER, is hardly enough to say about Jack ask his opponents about his guarding ability. Jack really loves the game.

The only Sophomore earn a letter, Jim is on his way to become a great basketball player. His specialty is getting under the bounds.

Those one hand shots from the port side keep the opposition guessing. We are happy that Dick and his fighting spirit will be on hand for another season.

"Buck" is always breaking into the line up. He is consistent and dependable. We expect to see "Buck" in action again next year.

Dick is deceptive and really cuts loose when he heads for the basket. He always manages to sink those under basket shots.

There was a period around the 1920's when the little red school houses were beginning to give way to a new kind of school known as the centralized school. Jackson Township was divided into the following school districts: Craun, Cochard, Kinsey, Iler, Rehobeth, Pankhurst, Ecker, Center, and Amsden. The county was under the supervision of John Sherck as county superintendent. In the spring of 1915, a young man named G. D. Wander came to Fostoria to be an assistant to Mr. Sherck in this part of the county.

It was under the leadership of Mr. Wander that Jackson Township decided to vote for a centralized school. In a very close election, the forces in favor of centralization won. Then the question as to location could not be decided satisfactorily, so another election to determine the site was held with the present site winning the election.

The ten acres upon which the building stands was donated by Charles Ash. The contract was awarded to Hossler Bros. of Tiffin, and the dirt began to fly in the summer of 1921. In due time, the corner stone was laid. The building progressed from stage to stage until in the fall of 1922 the doors were opened to the students of Jackson Township.

It was planned to dedicate the building during the first year. Plans were made with James Begg, congressman from Ohio, to be the speaker. When the night arrived—it proved to be on one of those dense, foggy nights with heavy rains—it was impossible for Mr. Begg to get here. The speech was then made by the late Thomas Haugh, Jr. of Bascom who happened to be on the stage as a guest.

Our building was built at an approximate cost of \$125,000 and the last bond was paid in 1937. The building, as it was viewed by the incoming students on that first morning twenty-five years ago, is the same building that you know today. A few changes have been made in the location of departments. However, the garage that was there that first morning was burned and the present one was built on the enlarged foundation.

The men who were serving on our school board when the building was built were: Eli Hollenbaugh, Orval Good, J. P. Kassing, I. L. Soule, and Dwight Watson. Morton Craun was clerk.

The plan of organization first used at Jackson was the 8-4 plan. Under the guidance of Mr. Wander, the Board staffed the school the first year as follows: George R. Snyder, a graduate of Heidelberg, came from Dayton to be the superintendent. Adelaide Marvel and Florence Stiger came from Columbus to teach the English, Latin, history and home economics. Willard Matz came from Ohio State University to head the Agriculture Department. The first grade was taught by Miss Pety from Loudon Township; the second and third grades by Beatrice Cramer (now Mrs. Theodore Bigham); third and fourth grades by Marvalene Day of Risingsun, fifth and sixth by Elmer E. Shaw; the seventh by Ivory G. Hummel of Helena; and the eighth by J. Lehr Swihart of Bascom.

The 8-4 plan of organization was used by Mr. Snyder and Mr. Emory. During the administration of Mr. Swihart, the plan was changed to the modified 6-6 plan. The seventh and eighth grades were departmentalized, but were not a unit with the senior high school. The high school was seated in the large study hall and the seventh and eighth grades were in the old eighth grade room. This made possible the former fifth and sixth grade room as a music room. During the administration of Mr. Now, the present 6-6 plan was adopted. That is a separate home room for each class was established with an adviser for each. The high school principalship was extended to cover the six upper grades and the elementary principalship was abolished.

During the school year of 1941-1942, the Jackson Township School District was combined with the former Liberty Rural School District to make the new Jackson-Liberty Rural School Districts one of the larger school districts of the county. The tax valuation is now \$3,264,669. Thus the end of twenty-five years finds our adequate building of 1922 much too small for our enlarged district, our added departments, and our modern methods of teaching.

It is impossible to mention here all the men who have served the school as bus drivers. A few with long service records are Morton Craun, K. W. Thompson, Elmer Shaw, Gilbert Rouser, I. G. Hummel, O. E. Kisabeth, Arthur Kissling, J. Lehr Swihart, and Dee Snyder.

The janitors have been: Billy Byers, Jonas Good, Lyle Snyder, Arthur Kissling, and Ward Stull. Arthur was with us thirteen years, and "Jonie" was with us seven years.

Harold Ecker has served twenty consecutive years on the school board. The only father and son to serve on the board are Ray Kassing, the son, and J. P. Kassing, the father.

ORGANIZATIONS

Three organizations came in with the new centralized school, played a very important part in the life of the community, and all became dormant around the 1940's. They were the Farmers' Institute, the School Fair, and the Parent Teachers' Association.

Two other organizations, the Shakespearian and Delphic Literary Societies, were organized the first year of school. They seem to have completed their careers by 1932. The school paper originated the first year. It was then known as the "Jakenhi." I find first mention of it as the "Newshound" in the 1929 yearbook.

The Student Council was first organized and advised by George Snyder. The organization wasn't successful so it was abandoned. Later it was revived by Mr. Swihart with some degree of success. It was revamped and put into its present organization during the first year of Mr. Now's sojourn here. This time it seemed to take hold and has grown into one of our most active organizations. Mr. Cannavan's only change has been to have the administration act as a veto force rather than an advisory force in the functioning of the organization.

HISTORY OF JACKSON-LIBERTY SCHOOL

The Hi-Y is an organization for boys that is not vocational in nature. It was organized by Mr. Sherck in 1936. It was also advised by Mr. Now and it is now under Mr. Cannavan's guidance.

The Girl Reserves is the girls' organization, not vocational, and has been one of the active organizations during our entire school history. This year the name was changed to the Y-Teens. The ladies of the faculty have in their turn served as advisor to this group.

The boys' organization in the agricultural department was changed to the Future Farmers of America on October 7, 1929 with Mr. Barker as the advisor. Our club has produced three State Farmers—Don Heiserman, Harold Ecker, Jr., and Charles Might. Charles Might won over all competitors in the State Farm Shop Examination in 1941. Harold Ecker, Jr. and Charles Might won the Black Swamp speaking contest in 1940 and 1941 respectively. In 1940, our cream judging team composed of Deane Myers, Edwin Phillips and Cecil Butzier placed first in the state, with Deane Myers rating highest in the state. In 1946 and again in 1947, our Parliamentary Procedure team has won the gold medal for first in that contest in this district.

The FHA was organized in 1938. It is the vocational organization in the Smith-Hughes Home Economics Department. Its advisor is the home economics teacher.

The Prince of Peace Contest has been one of the events of the year during the entire history of the school. Many people have entered these contests, and we have been very successful in winning the county contests. In 1946, Joan Shaw succeeded in reaching the state semi-finals, but was eliminated there.

Until 1935, the county had an oration and speaking contest. Jackson was well represented in these contests by such speakers as Raymond Gwiner, Leon Omwake, Wilmer and Darrell Kunkelman, Agatha Good and many others.

After 1935, the One-Act Play Contest was substituted for the speaking-oration contest. We have won the county contest five times and thus the right to compete at Columbus. Our first win was with "The Bishop's Candle Sticks" directed by Miss Pfeifer in 1935. Our next win was in 1938 when "A Window to the South" was presented under the direction of Miss Armbruster. In 1940, Miss Lee's cast won with the play "Auf Wiedersehn." In 1940, our school presented "The Dictator" under the direction of Miss Reiner and again won. In 1946, Mrs. Cannavan's cast won the contest with the play, "Moon Calf Mungford." As this goes to press, our cast is well along with the play "Highness" with which they hope to win the contest this year.

Since the beginning of our school, debate has been one of the activities of our school. We have developed many fine debaters. Our record of individual debates won has been an enviable one. Perhaps the best record was the team of 1940 which won four of six de-

bates to win second place in the debate tournament. The debate team of 1947 tied for second place in the tournament this year.

MUSIC

In the first years of our school, vocal music was taught by a part time teacher. Some of the names that come to my mind are Miss Leota Fox, Mrs. Carl Abbott, Elizabeth Dalton and Mrs. Byron Stearns. We also had several people who came into our school for instrumental music. For many years, Jackson-Liberty had an orchestra.

In 1937, Miss Velma Crissinger came into our school as the first full-time music instructor. Since that time, we have had both boys' and girls' chorus and a mixed chorus of which our school has been justly proud. Many fine operettas have been produced. This department has also entered many contests and has been awarded many high ratings. Proud indeed were we to have this department broadcast over Station WFIN during this year.

ATHLETICS

Athletics at Jackson-Liberty have consisted of speed ball, football, baseball, volleyball, track, basketball, and the Brown Derby.

The matter of a sport to bridge the gap between the opening of school and basketball has always been a hard one. Speed ball, football, and baseball have all been tried without too much success. Speed ball was given up because of lack of interest. Football was tried but had to be given up because of too small a student body and too many injuries. Baseball is still played but for too short a time to have much success in developing outstanding teams. As a spring sport track has been the outstanding activity. Jackson-Liberty has produced several outstanding track stars, and has held several county records, but has never been able to win a track meet.

The girls enter the volleyball tournament in connection with the track meet each spring. Competitive girls' basketball was played in the county until 1940. We have had many outstanding girl players and teams, and our record was an enviable one.

The Brown Derby was organized in 1932. Each of the four upper classes enter a boys' team and a girls' team. Points are given for the games played. The winner of the Derby is the class whose boys' team's points plus the girls' teams points is largest. This has proved to be a hard fought contest each year and interest seems to grow as years go by.

Boys' basketball has continued through the years to be the major sport. Many fine teams have been developed, sportsmanship has always been on a high level, and the teams have been consistently well supported. Perhaps Jackson-Liberty's greatest achievement athletically was in 1931. The boys' team coached by Mr. Kettler, and the girls' team, coached by Miss Morrison, went undefeated throughout the entire season and at the county tournament. Thus at the awarding of trophies, we received four. In fact, we won everything but runner-up trophies.

Again in 1935, our team won the tournament. The team was coached by Mr. Sherck. In 1942 we tied for second place in the league. This team was coached by Mr. Barnes.

In this short review of twenty-five years of life at Jackson-Liberty, I have dwelt mostly on the activities of an extra-curricular nature. This is not meant in any way to minimize the importance of the scholastic attainments of

the school. Periodically, the state examiner visits our school and passes judgment. In all of these reports our school has continued to receive a favorable rating. In scholastic tests Jackson-Liberty has always been able to take her share. I think that you will agree with me in saying that we can all be proud of our school record during these twenty-five years.

GIBSONBURG SUPERIOR FERTILIZER

An All Plant Food Fertilizer

VITA MINERALIZED

Your soil requires a different fertilizer today than it did 20 years ago because the many crops grown have sapped those vital rare elements from it that are so essential in plant life. The only way to restore them is through fertilizer built like GIBSONBURG SUPERIOR FERTILIZER. It contains 24 of these essential elements. GIBSONBURG SUPERIOR FERTILIZER has not 1 pound of worthless filler in a ton; it produces healthy vigorous plants and you know healthy vigorous plants produce good crops. We mix special fertilizer for Tomatoes, Sugar Beets and Potatoes. Let us test your soil and we can tell you what analysis fertilizer will give you the best results.

Order GIBSONBURG SUPERIOR FERTILIZER from our agent NORMAN PHILLIPS, KANSAS, OHIO, or direct from the plant. It is manufactured by

GIBSONBURG COAL & FERTILIZER CO.

Also manufacturers of SUPERIOR DUST for Tomatoes, Sugar Beets, Pickles and all garden vegetables.
